DOCKET NO. 93-114-C - ORDER NO. 93-698 ✓
AUGUST 4, 1993

IN RE: Application of World Telecom Group,)
Inc. for a Certificate of Public) ORDER
Convenience and Necessity to) GRANTING
Operate as a Reseller of Intrastate) EXTENSION
Telecommunications Services within) OF TIME
the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the July 23, 1993 letter of Andrew O. Isar, Director of Industry Relations for World Telecom Group, Inc. (World Telecom or the Company). Among other things, Isar's letter requests an extension of time until August 20, 1993 in which to comply with two matters ordered by Order No. 93-600 in this Docket, i.e., the making of refunds for unauthorized intrastate use, and the procurement of a bond.

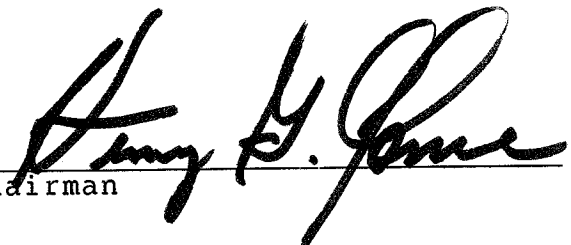

In regard to the refunds, the Commission is convinced that it may reasonably take additional time in order to locate individuals entitled to said refunds. Therefore, the Commission grants the requested extension until August 20, 1993 in order for the Company to make the ordered refunds under Order No. 93-600. The Commission notes that Order No. 93-600, however, provided no time limitation for the Company to furnish a bond, but made the furnishing of a bond as a condition for the granting of the

Certificate of Public Convenience and Necessity. Therefore, the Commission need not rule on the request for an extension of time for the Company to comply with this portion of the Commission's Order.

IT IS THEREFORE ORDERED THAT:

1. The Company shall have until August 20, 1993, to comply with the refund provisions of Order No. 93-600.
2. That this Order shall remain in full force and effect until further Order of the Commission.
